### WORK HISTORY

2003 - 2004	Comp USA – Product Specialist	Houston, TX
2004 - 2005	Gamestop – Sales Associate	Houston, TX
2005 - 2005	Carpe Vita Photography – Assistant wedding photographer: Worked as an assistant Wedding photographer for a local Dallas company. Was mostly unpaid but continued to learn strong elements of composition and framing, as well as enhancing photoshop photo touch-up techniques on a production level.	Dallas, TX
2006 - 2007	UTD Supplemental Instructor -- Photoshop: Worked as a supplemental instructor for the University of Texas at Dallas for the Arts and Technology program's Photoshop classes. I was an assistant to some professors during class times and was paid by the university to have my own weekly Photoshop class.	Dallas, TX
2007 - 2008	UTDallas – Lab Technician: Worked as a technician and software specialist in the Arts and Technology computer labs. Standard I.T. duties applied. The primary difference was a responsibility to be comfortable not only using, but troubleshooting with a variety of 3D related software packages, everything from Maya, Renderman, Zbrush, Mudbox, and a sizable list of other programs.	Dallas, TX
